## ABOUT

Greenwich Basketball Leagues were founded in the fall of 2000 for basketball players by basketball players. The leagues are designed to offer games and instruction during the non-traditional as well as traditional seasons of basketball. Leagues are offered year round and players have the opportunity to participate in up to 100 extra games per year. Greenwich Camps are structured much like the Greenwich basketball leagues. The one difference, campers will participate in one hour of skill development before playing in 2 games daily. Players will be assigned teams the first day of camp and will compete in an age talent specific division during the entire week. If you love to play the game and want to get better, Greenwich camps are for you!
